📄 PROFILE DESCRIPTION

Motivated by a passion for technology, I transitioned into tech by completing an intensive 6-month bootcamp in Full-Stack Web Development and Design. After graduating, I worked for a B2B eCommerce as a Web Designer, experience that led me to specialize in eCommerce. My background in full-stack development and web design allows me to blend creativity with technical skills to enhance the user experience. With a solid foundation in web technologies and a growing portfolio of eCommerce work, I'm excited to contribute to ambitious brands and agencies looking to scale.
